Premier Net Rod White Finish

Tension Rods

It could not be easier. With these round tension rods, simply twist to fit and unscrew. No other fixing is required. Ideal for nets, voiles, light weight curtains and pleated louvers.

Net Wire

Traditional and flexible, Net Wire provides an easy way to hang voiles and net curtains.

Premier Net Rod

Easy to install, the versatile Net Rod can be wall mounted or fixed into any recess. Ideal for light curtains and voiles. Net Rods can be fitted to wooden or uPVC window frames.

Café Rods

A modern and streamlined extendable rod that is suitable for light weight curtains and voiles.

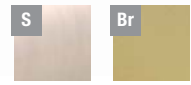

Bistro Rods

This clever design combines café and tension rod in one simple, extendable rod. Easy to fix to the wall or in a recess, the rubber end is gentle on your window frame or walls.

* Extends to fit. All sizes approx.
